Divisions

Divisions will be broken down by age, weight, gender, and experience. Competitors will be able to select a different experience level for each event. This will help someone who may want to do forms at their level, but spar at a higher level. This will also help people who might be a black belt in Taekwondo, but a beginning grappler.

Junk Weapons, Trick Kick Battle, Weapons, Traditional Team Forms **all have 6 divisions.**

Kids Color Belts (12 and under)	Teens Color Belts (13-17)	Adult Color Belts (18+)
Kids Black Belts (12 and under)	Teens Black Belts (13-17)	Adult Black Belts (18+)

Teams will be placed in the division of the highest member. Thus, a team with a black belt and a color belt will compete in the BLACK BELTS DIVISION. Consider this when making your teams for these events.

See the tournament page for full rules, scoring, and video demonstrations of Special Events.
